PROFILE

Ambitious BCA student and freelance developer with expertise in web and app development, along with a keen eye for UI/UX design. Dedicated to delivering innovative and user-focused digital solutions while continually advancing my technical skills.

WORK EXPERIENCE

SYMPHONIX   2024 - PRESENT
Freelancing

- Motivated and detail-oriented professional specializing in web and app development, UI/UX design, and branding solutions. With a strong foundation in coding, creativity, and problem-solving, I deliver tailored digital solutions that meet client needs and exceed expectations.
- My expertise spans responsive web design, interactive mobile applications, and engaging user experiences.

Stone Industries   Feb 2024 - Mar 2024
Internship

- Gained hands-on experience in software development (app) working with field experts within the stone industry.
- Assisted in optimizing operational workflows, contributing to increased efficiency and reduced production time.

PROJECTS

- Portfolio build - 5
- E-commerce website
- Note Making App
- Landing Page UI/UX
- Logos designed (freelance) - 12
